CLUE 1

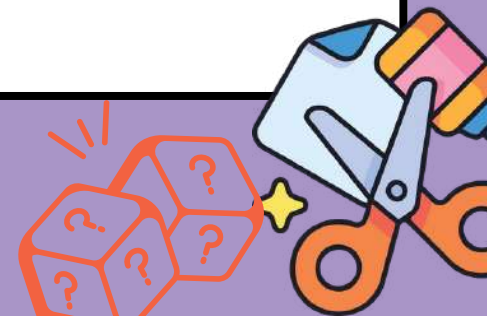

- Score the Base card at 14.8cm or **5 1/2"**
- Emboss the Layer 1 Cardstock, use any embossing folder of your choice

CLUE 2

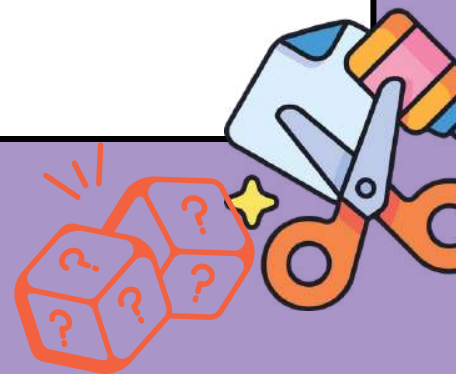

- Attach this Layer 1 to the Base card using Stampin' Dimensional.
- Pick the Layer 2 cardstock.

CLUE 3

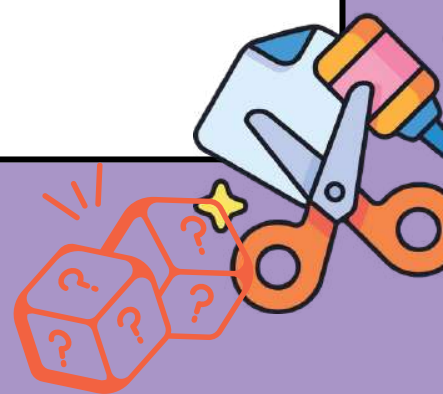

- Start from the bottom side of the Layer 2 cardstock.
- SET 1: Glue the 5 die-cut circles or squares of the same colour close together.
- Have a Grid Paper that will be helpful to keep it straight

CLUE 4

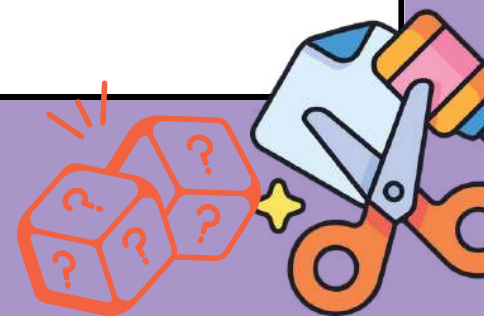

- SET 2 : Glue the next set of 5 circles (in the same colours) in between the first row of circles.
- Each circle should slightly overlap the ones in the first row. Like a layering above the circle.
- The excess circles on the sides of the cardstock can be trimmerd off!

CLUE 5

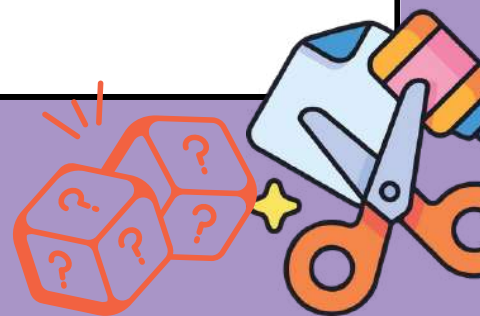

- SET 3: Now add the next 4 circles inbetween to each circles again using glue.
- SET 4: Now again add the next 5 set of circles,
- SET 5: Finally complete the another set of 4 circles.

CLUE 6

- Totally you completed 5 sets of circle overlapping like a beautiful layer one on another.

CLUE 6

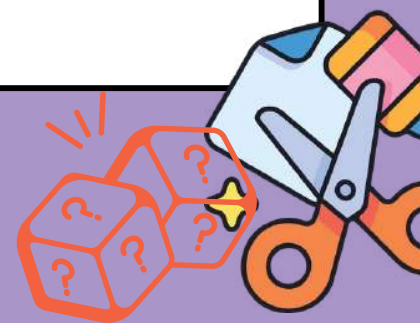

- Now trim the excess added circles from the top using paper snips
- Then adhere the Specailty paper as a border on the top using glue.

CLUE 7

- Next, add this Layer 2 piece to the Layer 1 using glue.
- Decorate the front of the card using die-cut pieces, and add the sentiment.

CLUE 8

- Finally add Embellishments and ribbon of your choice.
